Briefing Note

The Recruitment Industry Counter-Fraud Forum

The Recruitment Industry Counter-Fraud Forum, known as SAFER (Safe Advice for Employment and Recruitment), is a non-profit making, industry wide forum created to raise awareness about, and combating, criminal activities that may be attempted on those within the industry or through the services provided by the industry.

Further details can be accessed [here](#) and the website is <http://www.safer-jobs.com>

Members are encouraged to forward details of scams that they are aware of to saferjobs.fraud@gmail.com in order that they can be highlighted across the whole recruitment industry.
