

# SUPPORTING THE UK FOOD SUPPLY CHAIN TO SOURCE AND RETAIN WORKERS

## ALP ACTIVITY

**Representing** the interests of UK labour providers with government and the supply chain

Topical webinars, **practical guidance** and accessible training on sourcing, recruitment and retention

Bi-annual **supply chain surveys** and monthly Labour Supply Updates

**Fair's Fair programme** to promote procurement good practice

Collaboration with the UK Home Office on **Immigration and Right to Work** guidance

Good Practice for the **Seasonal Workers' Scheme Pilot**

**Open to Opportunity Programme** supporting members to access workers from harder-to-reach communities

Multi-language guidance for workers on good recruitment and employment practices through the free **Just Good Work app**

**'Working in the Food Industry'** video using real workers' experiences to promote the food industry as a career choice

**'Extra Worker Availability Portal'** where food businesses can freely post their requirements for workers to ALP members

## TOOLS AND RESOURCES

**MAY 2021**  
**GOOD PRACTICE GUIDE TO SOURCING WORKERS**

A practical step by step guide for the farming, food & drink manufacturing and logistics sectors to support labour providers, labour users and direct recruiters to better source and recruit workers in the current labour market.

**Just good work**
