# WHY USE COMPLYER?

## INTUITIVE AND EASY

- Complyer can be completed by novice auditors
- Compliance is assessed by answering straightforward questions, with all the further guidance and links that the auditor may need, including worker interview questions
- Automatic scoring gives an immediate objective assessment of compliance which can be used as a KPI target and compared over time to track improvement.

## EFFICIENT AND EFFECTIVE

- Auditors enter their findings straight to a laptop during audits – no double entry
- Documentary evidence is uploaded to the audit so no searching for supporting documents
- Provides corrective actions and a follow up process for continuous improvement
- Downloaded to a PC or laptop so can be used offline in any environment
- Allows multiple audits to be recorded
- Includes a range of automatically generated reports

## COST EFFECTIVE

An annual licence costs just £385 (+VAT) per user, discounted for ALP members at just £325 (+VAT). Multi-user (3+) discounts are available
